

LIGHT THE WAY, INC.

In-Kind Donation Information

Supporting Our Mission Through Non-Cash Gifts

Light The Way gratefully accepts certain in-kind donations that directly support our mission of boating safety education, community outreach, and public awareness. In-kind gifts may include goods, professional services (where appropriate), equipment, supplies, printing, event support, or other resources that help advance our programs.

Examples of In-Kind Donations

- Educational materials and classroom supplies
- Event equipment and event services
- Printing, graphic design, or marketing services
- Technology, office equipment, or software
- Volunteer professional services (when appropriate)
- Safety equipment or boating-related educational resources
- Other mission-related goods or services

Before You Donate

Please contact Light The Way before delivering or shipping an in-kind donation. This helps ensure the item or service aligns with our current needs and that we can properly acknowledge your contribution.

Acknowledgment

Light The Way will provide a written acknowledgment describing the donated goods or services received. For tax purposes, donors are responsible for determining the value of their contribution and should consult their tax advisor.
