2ND ANNUAL NON-PROFIT GOLF TOURNAMENT

**SEPTEMBER 15, 2026
A DAY ON THE GREENS**

TO MAKE A DIFFERENCE BEYOND THE COURSE

Bring together friends, families, and the community as we join us in honoring the lives of Ryan Britagna, Christopher Hallahan, and Ian Duchemin while supporting water safety education, advocacy, and outreach.

Proceeds from this event help fund hands-on boating safety programs, school book reading events, and a portable water safety simulator that brings life-saving education directly into schools and communities.

Keeping their light lit and helping make our waters safer for the next generation.
